W.C. FIELDS

GIN LIST

"GIN IS, AT ITS SIMPLEST FORM, A SPIRIT FLAVOURED WITH A VARIETY OF BOTANICALS, WITH THE PREDOMINANT FLAVOUR BEING JUNIPER".

MALFY GIN ROSA – ITALY

£6.30

Bursting with rich, fresh citrus and made with zesty, tart Sicilian pink grapefruits and sumptuously sweet Italian rhubarb. The addition of the pink grapefruit adds a mouth-watering tease of tang whilst rhubarb has been an essential ingredient in Italian bitters and aperitifs for centuries.

MALFY ORIGINALE – ITALY

£6.30

The Italian dream continues with a gin showing amazing balance of botanicals. Coriander, cassia, angelica root and grapefruit peel harmonize with sophisticated ease. Malfy Originale is brought down to bottling strength using water from the Monviso mountain extracted at the village of Crissolo.

BOMBAY SAPPHIRE – ENGLAND

£4.95

A distinctive taste of fresh citrus & juniper flavours combined with an elegant light spicy finish.

GIN MARE – SPAIN

£8.25

Botanicals such as rosemary, lend Gin Mare a woody scent known as pinenes, which is a key odorant also found in juniper berries, the primary ingredient for most gins. Juniper berries contain another herbal, aromatic note known as beta-myrcene, which is also present in basil and thyme. Italian sweet basil imparts certain anisic, balsamic (cinnamon-like) and camphor-like aromatic notes to this gin.

TANQUERAY – ENGLAND

£5.50

A classic gin that is distilled four times to create a wonderfully simple taste. Juniper, coriander and liquorice create the perfect balance.

SHORTCROSS – NORTHERN IRELAND

£6.60

Small batch production using many Irish botanicals including wild clover, elderflowers, elderberries and home-grown apples.

MONKEY 47 – GERMANY

£8.45

An unusual gin from the Black Forest in Germany, Monkey 47 (or Monkey Gin, for short) contains a unique ingredient. No, not that! Cranberries! The 47 comes from the number of botanicals that go into this unique gin and the fact it's bottled at a healthy 47%. This plethora of ingredients has paid off, and in 2011 Monkey 47 won the World Spirits Award Gold in the Gin category and Gold for best in class for the Gin Worldwide at the International Wine and Spirits Competition London. Not bad!

GIN LIST

"WHEN LIFE HANDS YOU LEMONS, MAKE A GIN AND TONIC."

BLACKWATER STRAWBERRY – IRELAND

£6.95

In all, thirteen botanicals are distilled to produce this gin, the largest of these being strawberry, as you might expect. The berries are grown just outside Enniscorthy (Co. Wexford) and transported to the distillery in a large cool box. After distillation, even more strawberries are soaked in the gin (that's how it gets its colour), then it is bottled. No added sugar or sweetener of any sort is used in this Gin.

COPELANDS RASPBERRY & MINT – N IRELAND

£6.95

Up-front raspberry fruit with subtle juniper and background mint and coriander. Sweet raspberry with pronounced juniper and cinnamon, finishing fresh with lively red fruit and a hint of mint.

STAR OF BOMBAY – ENGLAND

£7.75

The classic notes of juniper, angelica and coriander have been intensified, with the addition of bergamot and ambrette seeds offering extra exoticness. A rich and intense gin.

COPELANDS RHUBERRY – N IRELAND

£6.75

Structured and balanced with juniper and pronounced cinnamon, mingled with sweet rhubarb and blackberry fruit. Forward with fresh blackberry and rhubarb fruit, subtle juniper with undertones of cinnamon and coriander, finishing full with lasting juniper and even more fruit.

BOSFORD ROSÉ – ENGLAND

£5.25

Bosford Rosé gin is made by following the original recipe of Bosford London Extra Dry Gin developed in 1948, distilling botanical ingredients such as juniper, coriander, angelica, lemon and orange peel and boosting two 100% natural ingredients: strawberries and raspberries. This combination brings a soft and sweet taste profile which is both low in sugar and gluten free.

TANQUERAY NO.10 – ENGLAND

£8.45

A gin so successful, it was retired from the San Francisco Spirit Awards. Grapefruit and a hint of camomile perfects this already superior gin.

GIN LIST

"LIKE A GREAT FOOL, I WENT ASHORE WITH THEM, AND THEY GAVE ME SOME CURSED STUFF THEY CALLED GIN—SUCH BLASPHEMY I NEVER HEARD...THIS WAS THE UNCHRISTIANEST BEASTLIEST LIQUOR I EVER TASTED."

A TRULY EXCEPTIONAL COLLECTION

A delicately light and low in calories collection of mixers, precisely crafted to flatter the spirit of any occasion.

CLASSIC LONDON
TONIC WATER

A precise balance of sweet citrus notes, pleasantly bitter quinine and distilled juniper essence.

We recommend pairing this modern classic with London dry gins, grain based vodkas and even aged rums.

GRAPEFRUIT & ROSEMARY
TONIC WATER

A precise balance of crisp grapefruit oils and distilled rosemary essence, with a hint of quinine.

This pairs well with citrus led gins and, if you feel adventurous, discover how it complements the bitterness of aperitifs.

BITTER ORANGE & ELDERFLOWER
TONIC WATER

A precise balance of tangy orange oils and distilled elderflower essence, with a touch of quinine.

This complements the ever-expanding range of juniper heavy gins, grape or rye based vodkas and, more innovatively, reposado tequilas.

DELICATE LONDON
GINGER ALE

A precise balance of steeped ginger root with background notes of distilled uniswed essence.

We suggest pairing this with a variety of blended whiskies or, for a contemporary take, try it with a cognac.

PERFECTLY SPICED
GINGER BEER

A precise balance of steeped ginger root, background notes of spice and a distilled essence of hops.

A wonderful combination with vodka, dark rum, bourbon, or try with añejo tequila for a twist.

DELICATE
SODA WATER

A precisely balanced and filtered soda water.

Pair with whiskies to create a smooth finish.
